Details Show

Removable Coins Tray

The cash drawer has a removable coin tray. The removable coin tray can be taken out separately for easy counting.

A media slot on the front panel for quick storage of large bill, checks, receipts and cards without opening drawer.

Over 1 Million Lifecycles

Tested to over 1 milion opening/closing cycles, ensure smooth opening and closing.

Secured With 3-Position Key Lock

Manual open, Electrically open, Locked

Multiple Operation Method

Method 1

The cash drawer is used independently, turn the key, and the drawer will automatically pop open. Push the drawer to close automatically.

Method 2

Connect to a receipt printer to use. When the cashier prints the receipt, the cash box can be automatically opened.

Method 3

Connect to computer to use. Need to buy a USB Trigger, set the relevant driver ports and hotkeys.

A removable cable interface at the bottom make it easy to replace the cable without disassembling the bottom plate.

If the key is accidentally locked into the cash drawer, you can open it through the emergency switch at the bottom of the cash drawer.

*Lock the cash drawer with the key, the emergency switch can't open it.

Strong Construction Design

The load-bearing capacity exceeds 60KG. Cash drawer can bear heavy weight without any deformation even after long-term use.
