Coin Sorter/Counter

(Model No : CS900)

Features:

270 units/min high sorting speed;

High capacity and low consumption;

Cost effective;

Specifications:

Performance Characteristics	
Counting speed:	216 units/min
Ambient humidity:	30 to 80°C
Hopper capacity:	350 to 400 units
Each receiving slot capacity:	80 to 250 units
Batch preset number display:	3 digits LED
Counting number display:	4 digits LED
Sorting speed:	270units/min
Physical Characteristics	
Power source:	220V/50Hz or 110V/60Hz AC
Power consumption:	15W
Ambient temperature:	0 to 40°C
Dimensions:	355 x 330 x 266mm
Net weight:	4.5kg
