Portable label printers
(Model: OCBP - M201)

Features:

- Support for Windows, Java,Android
- Bluetooth, USB communication options.
- Bartender software is supported.
- Support Mark interval detectionIon
- High print Speed 90mm\/sec.
- 100 km TPH life.
- Low power consumption and high capacity lithium-ion battery.

Specification:

Dimensions (width x depth x height)	180 * 130 * 110mm (Size: 585 * 410 * 285mm (40pcs)
Mao Weight	506g
Colour	Black
Effective print width	48mm
Print method	Hot printing
The print command	ESC\/POS-compatible command set
Print speed	Up to 90mm\/sec
Resolution	8 dot\/mm (203dpi)
Print fonts	12x24 \/ 24x24
Column capacity	32\/16
Character size	1.5×3.0mm(W×H)\/3.0×3.0mm(W×H)
Paper size	58.0 ± 0.1mmx 40.0mm
Paper thickness	0.06⬜0.08mm
Character set	Alphanumeric\/characters
Interface	USB, Bluetooth
Data buffer	Up to 5K bytes
Power adapter	9V DC \/1One
Battery	1500mAh \/ 7.4V⬜ 30m on a single charge, Longer standby time A maximum of 30 days
Other characteristics	Paper testing tag Interval detectIon,Power detection, and manual shutdown
Work environment	Temperature: -10 To 50 Degrees Celsius⬜ Relative humidity: 10% ~ 90%
Storage conditions	Temperature: -20 To 70 Degrees Celsius⬜ Relative humidity: 5% ~ 95%
Device name	Customizable letters and numbers option, up to 30 ASCII characters.
Password	Enter the default pairing code \"1234\"You can customize. Up to 6 digits.
Power plug size	3.5 * 1.1mm
