And put To Left Side

A white rectangular label is affixed to the silver tray. It contains three lines of text: "Please put The Direction OF Banknote As Shown And put To Left Side". Below the text is a large, solid black arrow pointing to the left. To the left of the arrow, there is a small, partially visible image of a banknote, likely a 100 Euro note, with a white arrow pointing to the left, demonstrating the correct orientation for insertion.
