Professional Scanning Code

Professional barcode scanner, with 1D/2D for option.

Data Transmission

4G
Communication

2.4G+5G
Dual Mode WIFI

Support Bluetooth 4.1
Backward Compatibility

Application And Secondary Development

Flexible customization of brand, model number, item code and other specification, easy to adapt to the user's existing application APP and secondary development.

Fast Charging

Professional POGO PIN interface, fast charging, reduce the loss of batteries and mainframe at the same time.

POGO PIN Interface
