

OCPP USB 58mm Receipt Printer

OCPP -58X

Product Description

Overview

OCPP -58X is a compact receipt printer designed for small businesses and retail environments. It features a USB interface and a 58mm wide receipt format, making it ideal for use in cash registers, POS systems, and other point-of-sale applications. The printer is built with durability and reliability in mind, ensuring consistent performance in high-volume settings.

Key Features

- Compact and space-saving design
- USB interface for easy connectivity
- Supports 58mm receipt width
- High-resolution printing (203 DPI)
- Quiet operation for customer comfort
- Customizable logo and branding options
