RMB

5 or 6 adjustable Bill holders and 8 or 4 removable Coins holders to suit different currencies such as Euro, US dollar, British pound, RMB, ect.

Removable Coins Tray

The cash drawer has a removable coin tray. The removable coin tray can be taken out separately for easy counting.

A media slot on the front panel for quick storage of large bill, checks, receipts and cards without opening drawer.

Over 1 Million Lifecycles

Tested to over 1 million opening/closing cycles, ensure smooth opening and closing.

Secured With 3-Position Key Lock

Manual open, Electrically open, Locked

Multiple Operation Method

Method 1

The cash drawer is used independently, turn the key, and the drawer will automatically pop open. Push the drawer to close automatically.

Method 2

Connect to a receipt printer to use. When the cashier prints the receipt, the cash box can be automatically opened.

Method 3

Connect to computer to use. Need to buy a USB Trigger, set the relevant driver ports and hotkeys.

A removable cable interface at the bottom make it easy to replace the cable without disassembling the bottom plate.

RJ11

Strong Construction Design

The load-bearing capacity exceeds 60KG. Cash drawer can bear heavy weight without any deformation even after long-term use.
