

TM-b 30 kg balance électronique avec imprimante et interface LAN

SPECIFICATION:

| | |
|----------------------------------|---|
| Storage capacity: | max. 2000 PLU |
| No. of shortcut keys: | 75keys(50x2=100 PLU shortcut keys,25 control/function keys) |
| Advertising information storage: | can store max 22 pieces advertising information |
| Free text: | can store 32 pieces free text |
| Temperature: | storage -10~+55°C; working 0~+40°C |
| Humidity: | ≤85%RH |
| Power supply: | AC 220V, 50 Hz (110V for option) |
| Display mode: | bright Green LED, black digital |
| Digits: | weight 5 digits, unit price 5 digits, total prices 7 digits |
| Printing width: | 30mm-60mm |
| Printing speed: | 75mm/s |
| Port: | RS232 ,Ethernet |
| Dimension | 381*428*500mm |

Parameters

| | | | |
|------------------|--------|--------|--------|
| Maximum weighing | 6kg | 15kg | 30kg |
| Scale intervals | 2g | 5g | 10g |
| Precision | 1/3000 | 1/3000 | 1/3000 |
