| MDM                         | Support  |
| Accessori periferici        | pacchetto  |

|                              |                                 |
|------------------------------|---------------------------------|
| Accessori                    | USB tipo C*1                    |
|                              | adattatore di alimentazione * 1 |
|                              | manuale utente*1                |
| Ambiente                     |                                 |
| Temperatura di esercizio     | Da 0 a 40 gradi centigradi      |
| Temperatura di conservazione | Da -10 a 60 gradi centigradi    |
| Umidità di lavoro            | 10%~80%                         |
| Umidità di stoccaggio        | 10%~90%                         |

# SMART Handheld POS Terminal

MULTI-PLATFORM AUTOMATIC PRINTING  
easy to deal with a variety of working environment

Thermal Receipt  
Label Printing

Touch HD  
Screen

Multi-version  
Connection

5 Million  
Pixels

3GB+16GB  
Standard

Removable 6400mAh  
Large Capacity Battery

NFC  
Standard

CPU  
Deca-core

## Multiple versions Connection options

Support full Net-com, Bluetooth, WIFI multiple versions of connection, Excellent experience

Support 2.4G&5G

Built-in NFC Module

2G/3G/4G communication

# Support Download APP from Google Play Store

High Quality and Performance, Your reliable POS

# Large paper bin Print more durable

Can accommodate 42mm diameter thermal paper to avoid frequent paper changes and improve printing efficiency.

**58mm**

Maximum  
paper width

**42mm**

Maximum  
paper diameter

■ SMART PRINTING

# Thermal Receipt / Label Printing

Built-in high speed 58mm thermal receipt and label printer

# 5.5-inch HD IPS Screen

720\*1280 resolution, stable every pixel, allowing users to see more clearly

# 2D Barcode Scanner for Optional
