Certification:

After Sale Service:

Warranty:

12 months of shipment normally. Some designated models can have as long as 24 months warranty.

RMA Procedure:

If you suspect your product is not functioning properly, please contact us to help determine whether your product is defective within warranty. Once determined defective you will receive an RMA authorization number for repair or replacement. Customers will return the defective product to us. Upon receipt of defective products, warranty verification will include visual inspection and testing for normal wear and tear, alteration, and functional compliance of the OCOM

product. Defective products will be repaired or replaced and shipped via express within 30 days or best effort. Customers will not be charged for warranty repairs. However, if a returned product does not meet warranty verification then testing, repair, and/or shipping fees may apply.

Dead-on-Arrival (DOA):

Any product found to be defective within 30 days of shipment shall be deemed Dead on Arrival (DOA). DOA products will be advance replaced and shipped via express.
