Reliable One-Stop Supplier for POS and Auto-ID Related Products

FAQ

1. MOQ policy
No MOQ limitation for standard products, but the unit price is different, the higher the better price.

For custom production, pos can be discussed directly with the MOQ with our sales representative.

2. Sample availability and & Policy
After customers have confirmed the specifications, we are very pleased to provide samples for tests and qualifications.

All samples must be paid before shipment, the price of samples is higher than the mass order. When the mass order is made, pos we are returning the cost of the samples or sending you other piece products with the shipments.

You can buy samples directly from us using t / t, western union or paypal. And you can also buy it on our online store.

3. Guarantee
OCOM is dedicated to providing cost-effective products and services with reliable quality that meets the needs of customers;

We have been qualified by the company Global Fortune 500 and we have the highest level 1 commercial guarantee that 100% protects your money and delivery time.

Our product warranty is approximately 12 + 1 months from shipping normally, some designated pos models have up to 24 months warranty;

Any product within 30 days of non-delivery will be considered as an invalid delivery (DOA). DOA products

will give priority to replacement and shipped by courier.

For bulk order, we would like to supply some spare parts with shipping for quick local repair. And then, pos can return faulty parts for rework and analysis.

4. Payment terms
For mass order, you can pay using T / T, LC, Western Union, Escrow or others. On the order of samples, T / T, Western Union, Escrow, Paypal are acceptable. Currently, pos can be paid using Moneybookers, Visa, MasterCard and bank transfer. You can also pay with selected debit cards including Maestro, Solo, Carte Bleue, Pos tePay, CartaSi, 4B and Euro6000.

5. Shipping
We accept all types of shipping methods including: express, air, sea, truck or pick up by customers personally.

6. Customer
Our main customers of Eruopean, Australia, and the growing South America, Africa, Russia ...,

We have managed over 2300 customers from 159 countries, including the Global Fortune 500 company like Unilever, O2 ..... 50 of them are the largest distributor in the local territories.

Why choose OCOM?

· Supplier of One-Stop POS-related products and leading Auto-ID qualified by the Global Fortune 500 companies
