FAQ

Minimum order quantity policy

Standard products do not have a minimum order quantity limit, but the unit price is different. The larger the quantity, the better the price.

For custom production, you can discuss the minimum order quantity directly with our sales representatives.

2. Sample supply situation & policy

After the customer confirms the specifications, we are happy to provide samples for testing and identification.

All samples should be paid before shipment and the sample price is higher than the bulk order. When a large number of orders are placed, we can return the sample cost or send more products with products.

You can purchase samples directly from us using t/t, Western Union or paypal. You can also buy it at our online store.

3. Warranty

OCOM is committed to providing the most cost-effective products and services with reliable quality to meet customer needs;

We are qualified for Fortune Global 500 companies, we have the highest level of trade guarantees, and 100% protect your money and delivery time.

Our warranty period for the product is approximately 12 + 1 month after normal shipment, and some designated models are entitled to a warranty period of up to 24 months;

Any product within 30 days of the delivery failure shall be considered a void delivery (DOA). DOA products will be replaced preferentially and shipped by courier.

For large orders, we would like to provide some spare parts for quick local repairs. You can then return to the failed part for rework and analysis.

4. Payment terms

For large orders, you can pay us using T/T, LC, Western Union, Escrow or other means. Regarding sample orders, T/T, Western Union, Escrow, Paypal are acceptable. Currently, you can pay by Moneybookers, Visa, MasterCard and bank transfer. You can also pay with a select debit card, including Maestro, Solo, Carte Bleue, Pos tePay, CartaSi, 4B and Euro6000.

5. Shipment

We accept a variety of transportation methods, including: express, air, sea, truck or customer personal pick-up.

6. Customer

Our main customers are from Australia's European, as well as fast-growing South America, Africa, Russia...

We already have more than 2,200 customers from 159 countries, including Unilever, O2 and

other Fortune 500 companies... 50 of which are the largest local distributors.
