

Oversized Storage Wireless Barcode Scanner with Screen

(M/N:OCBS-E7)

Features:

2.4inch 16bit true color screen

16MB Oversized Storage

433MHz Long distance wireless communication

16 hours working times

Visualized setup menu, multiple working modes

ABS + Silicone Drop-proof design

Specifications:		
Model	OCBS-E7	
Color	Black	
CPU speed	72MHz	
Keyboard	T9	
RAM	16KB	
ROM	16MB	
Screen Size	2.4''	
Screen Color	16bit true color [65536 colors]	
Resolution	240*320	
Battery	Rechargeable Lithium-ion [3.7V][1900mAh]	
Working time	16 hours	
Standby	15 days	
Dimension	138mm×60mm×30mm	
	Material	ABS + silicone
	Charging indicator	LCD
	Working current	160mA
	Standby current	8mA
	Safety standard	national laser safety standard Class II
	EMC	CE & FCC DOC compliance
	Light Source	650nm
	Scan Pattern	Single line
	Decode Rate	100±2 scans / second
	Resolution	3mil
	Scan width	20mm@window [220mm@200mm]
	Depth of Field	0 [250mm] 0.33mm [PCS 90%]
	Roll	30°
	Pitch	65°
	Skew	55°
	Print contrast	Not less than 30%
	Operating Mode	Continuous / itemized scanning
	Error Rate	1/5million

	indicator	beeper□LCD
