POS-1513 15.1 inch restaurant ordering and billing pos machine all in one touch screen pos system

(M/N:POS-1513)

OCOM 1513 series POS terminal has auminium alloy shell and base, It has intel Celeron and intel core I seriese CPU for option, it is easy to install second display, MSR, VFD as modules. This model is very convenient for maintenance by removing the back cover and it has rich I/O interfaces to be connected to more external devices This model is very convenient for maintenance and it has rich I/O interfaces to be connected to more external devices

Features:

Intel Celeron series and intel core I3 I5 processor for option

Rockchip high speed RK3288 processor for option

EMMC 8GB/16GB/32GB for option

Hard Driver Msata SSD 64GB ,SSD 128GB and 256 GB for option

Multi-point projected capacitive touch panel

Optional side MSR and VFD220 customer display mounted to back cover

Ture flat and water-proof scratch-resistant surface display

Specification

Model	POS-1513W	POS-1513A
